FINANCIAL POLICY

Thank you for choosing Northwest Eye Surgeons for your eye care needs. We are committed to providing you with the best treatment available. The following is a statement of our Financial Policy.

All new patients must complete our Patient registration forms before seeing the physician.

- ALL CO-PAYS ARE DUE PRIOR TO SEEING THE PHYSICIAN
- UNLESS WE ARE BILLING YOUR INSURANCE, PAYMENT IN FULL IS DUE AT THE TIME OF SERVICE
- FOR YOUR CONVENIENCE WE ACCEPT CASH, VISA, AND MASTERCARD
- A $30 CHARGE IS ASSESSED ON ALL RETURNED CHECKS

REGARDING INSURANCE: Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. We will bill your insurance plan for you as long as you provide us with the correct information. ***Please be aware that some, and perhaps all, of the services provided may be a non-covered service and/or not considered medically necessary under your insurance plan.*** You, as the patient, are ultimately responsible for payment of all services provided by Northwest Eye Surgeons. While payment is your responsibility, we will assist you in negotiating a settlement with your insurance company for any disputed claim.

USUAL AND CUSTOMARY RATES: Northwest Eye Surgeons is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

MEDICALLY NECESSARY CARE: We will <u>only</u> provide you with a service if we consider it medically necessary. We routinely perform diagnostic tests, such as refractions or topography, which some insurance carriers, including Medicare, will not cover. We use refraction as a diagnostic tool rather than to prescribe glasses, and topography to determine appropriate cataract treatment options. Therefore, if your insurance company arbitrarily determines that a service we have rendered to you is not a covered benefit, you will be responsible for the bill.
